June 1-15<sup>th</sup>, Take 15% off  
Big Sky Carvers  
Bronzes & Coaster Sets*

## **June is Dairy Month**

With our family background in farming, it's no wonder that we have to celebrate June is Dairy Month! We are proud to offer a number of Wisconsin specialty cheeses from family owned dairies. Harmony Specialty Dairy Foods was founded by Ralph and Sharon Bredl in Stratford, WI. The Bredl's are fourth generation farmers whose 450 cow dairy herd is the single supplier of milk for their cheese. They offer a British tribute line of cheeses under the Golden Age label, as well as more traditional cheeses under the Harmony Specialty label. Our favorites are the Abergele Mushroom and Chive and Nut Brown Ale Caerphilly. Try their new Merlot-infused Cheddar! Holland's Family Cheese was founded by Rolf and Marieke Penterman. The Penterman's moved to Thorp, Wisconsin from the Netherlands in 2002 to dairy farm on more property. Marieke obtained her cheesemaker's license and learned to make authentic Dutch Gouda cheese. Marieke's cheeses have won numerous awards, including the US Cheese Championship in 2013 for the Mature (6-9 month) Gouda.

We also offer a few additional specialty cheeses, all made in Wisconsin. To celebrate June is Dairy Month, all cheeses are 10% off. Try something new, you won't be disappointed!

## **We have GREAT gifts for**

## Northwoods ATV Trail Tours

This year we are excited to be a part of a new Northwoods activity, the Northwoods ATV Trail Tour! Stop by our store to pick up a map of with the participating businesses. Basically, it is like a summer

long poker run. There are four routes to choose from. Go to the participating businesses and get a stamp. The more routes that you complete, the more chances you have to win prizes. Turn the completed routes into the Park Falls Chamber of Commerce by Friday, September 12, 2014. Then go to Triangle Park in Park Falls on September 13<sup>th</sup> at 5pm to see if you win some of the great prizes (\$3000 plus prizes.) You must be present to win. Don't have an ATV? That's ok! You can drive in a car to get the stamps too!

## Recipe Corner

### Marieke Gouda Cheesy Bread

#### Ingredients:

- 1 loaf French bread
- 1 garlic clove
- 1/2 cup butter, softened
- 1/2 cup real mayonnaise
- 2 cups Marieke Gouda Pesto Basil, shredded

#### Directions:

1. Preheat oven to 350°. Cut loaf in half, length wise, and place on large baking sheet cut side up.
2. Microwave garlic clove for 1 minute until soft, mash with a fork.
3. Combine garlic, butter, mayonnaise, and Gouda in a medium sized bowl. Spread mixture in an even layer over each bread half.
4. Bake in oven for 15-18 minutes until cheese is melted and starts to turn light brown and bubbly. Cut into diagonal slices and serve immediately. Garnish with fresh basil.

Try this with the Alpha Morning Sun Pesto Basil Cheese too!

## New Rustic Furniture

We are excited to announce the arrival of a new rustic furniture line, Rustic Log Furniture from Alamosa, Colorado. We are still extremely satisfied with our Amish-made log furniture and will continue to carry his products as we have in the past. This new company has a focus on upholstered furniture, with Aspen wood accents, something that our Amish builder does not build.

The Rustic Log Furniture Company prides itself on its "green" practices, from their solar powered warehouse to their sawdust-based compost. Their product line includes hundreds of items made of the highest grade dead-standing Aspen that comes from the upper elevations of the Rocky Mountains. Products include kitchen cabinets, bathroom vanities, poker tables, and living room furniture.

Our goal is to stock a selection of the living room products with the option to place orders on additional pieces. We have fabric swatches available in store. Order times will range from 3-8 weeks depending on current orders and delivery schedules. To view the full product line, visit [www.rusticlogfurniture.com](http://www.rusticlogfurniture.com) and click on product line. Contact us for Pricing and information.
