## Father's Day is June 18th!

Father's Day is a time to thank our dads for being the great guys that they are! We have unique gift ideas, just right for that special one in your life. In fact, we are one of the few gift stores men enjoy looking around in. Don't forget to ask us to gift wrap the gift for you!

## Children's Nature Series

We are so excited to announce our new Children's Nature Series! The classes will be taught by Naturalists from the Discovery Center in Manitowish Waters. We have one class per month scheduled through September. Classes are available to children ages 5-10. Registration is required as space is limited. The cost is \$10 per child. A parent or adult is required to stay on the premise during the class. Classes will be held outside, weather permitting, or we'll clear a space inside. Here is a description of our first class, Nature's Architects: What makes up the natural community? Where do critters live? Become a nature architect as you build the perfect habitat! We will discuss and explore the amazing animal architects of the natural world through hands on exploration, a fun habitat game and by creating a bird nest to take home-with your very own egg! Enjoy a nest snack, too!

## Girls Night Out

Girls Night Out is June 1<sup>st</sup>! As part of the event, we are hosting a running shoe drive! Bring in a pair of used running shoes and receive a free gift! That night we will also be sampling Blueberry Cheddar Cheese, Key Lime Pops (see recipe below) and Back at the Ranch dip. With a purchase, you'll be entered to win a gift certificate! Bring the gals to Phillips, pick up a passport (available a week in advance,) and collect your stamps to be registered to win awesome gift baskets. We are a three stamp stop – joined by Courtney Janak with Mary Kay Cosmetics and Sara Huggard Photography.
