21st Annual Phillips Fall Harvest Festival

It is difficult to believe, but fall is near. We invite you to join the Phillips area in celebrating fall on Saturday, September 27th. Downtown you will find arts & crafts, food vendors, a farmers market, sidewalk sales, and lots of cranberry-themed items. Two live bands will be performing, as well as pumpkin decorating for the kids. There is also a 5k walk/run at Birch Island Resort benefitting domestic abuse foundations. Activities downtown run from 9am-3pm. At Cabin Creations, will be having a number of fall food samples. All food items, including cheese, coffee, soup, dips, candy, etc. will be 10% off for the day! It's a great way to try before you buy and stock up on your favorites! We will be open from 9am-4pm. Watch for our email updates and our Facebook page for more specific details and specials as we get closer to the festival.

Phillips School District Fundraiser

With my background in teaching and as a graduate of Phillips High School, supporting education in our community is important. One way we choose to support our schools is through the unique Phillips Loggers items pictured below. We have magnets, zipper pulls, key chains, and pins, all made in Wisconsin. All proceeds from the sales of these items go to support the Phillips School District PBIS Activity Fund.

PBIS is a program that supports and promotes positive behaviors in students from kindergarten through high school. Reward activities and prizes are given to those students who exhibit positive behavior. Homecoming is September 26th, so now is the perfect time to pick up some gear and show your support! Go Loggers!

Northwoods ATV Trail Tours

The Northwoods ATV Trail Tour ends September 12th. If you haven't yet, stop by our store to pick up a map with the participating businesses. There are four routes to choose from. Go to the participating businesses and get a stamp. The

more routes that you complete, the more chances you have to win prizes. Turn the completed routes into the Park Falls Chamber of Commerce by Friday, Sept. 12th. Then go to Triangle Park in Park Falls on Sept. 13th at 5pm to see if you won some of the \$3000 worth of prizes. You must be present to win. Don't have an ATV? That's ok, you can use a car too!

Recipe Corner

Apple Pie Pull Apart Bread

Ingredients:

- 1 Apple Pie Cheeseball & Dessert Mix
- 10 Rhodes dinner rolls, thawed
- 2 apples, peeled and chopped
- 6oz cream cheese
- 1 egg
- 1 cup powdered sugar (for icing)
- 1 Tbsp milk (for icing)

Directions:

Pre-heat oven to 350°. Spray a 8x8" glass baking dish with non stick spray. Cut rolls in half and place cut side down in glass dish. Cover with plastic wrap and let rise 30 min. Remove wrap and brush rolls with melted butter and sprinkle chopped apples over rolls. In a small bowl combine cream cheese, egg and Cheeseball Mix until smooth. Spread over rolls and sprinkle with topping packet. Cover rolls with plastic wrap again and let rise until doubled in size. Remove wrap and bake for 30 min. When rolls are cooling drizzle icing on top. Serve warm!

August Market Finds

The Minneapolis Mart Market that we told you about in August was another good show! We found some fantastic new things! Our favorite is definitely the new birch table top items. The collection features ceramic birch designed serving bowls, serving spoons, snack tray and bowl sets, prep bowls, napkin holder and bowls with also includes paper goods such as plates, napkins, coasters, and placemats.

We are also fully stocked on scarves for the fall and winter season, with over six dozen scarves to choose. We usually just buy one per design and color, so if you find one that you like, it's best to pick it up right away as we may not be able to reorder it.

Other new arrivals include new Beer Bread Cake Mixes. Yes, beer and cake. Hello Packer season! The mixes can also be made into cupcakes and cookies.

Very moist and easy to make! We will be sampling some at the Fall Harvest Festival on September 27th.

We have found a couple of unique books, *Weird Wisconsin* and *The Twelve Days of Christmas in Wisconsin*, both making great gifts.

A few new children's games are on the way as well. *Buck, Buck, Moose* (a card game like Slap Jack), *The Sneaky Snacky Squirrel Game* (in a board and card game form) and *Travel Blurts* (fun for all ages!)

During market we also restocked cheese knives (now available in a red handle), Yankee Candle Fall Fragrances, Wind & Willow Dip Mixes, Robert Rothschild Dips, Pumpernickel Press greeting cards and Poplt Popcorn, to name a few. We are fully stocked and ready for the fall season!

A camera was left behind in our store this summer. Please call to claim if you think it is yours!
