New Product: Tenzi

Have you played the popular, fast-paced dice game, Tenzi? It is an easy, addicting game for all ages! In the classic form, everyone rolls their dice at the same time, and the first to get 10 of a kind wins! If you've already own Tenzi, grab the 77 Ways to Play Tenzi card pack for even more fun! Tenzi was created by Steve and Kevin. They ran into each other unexpectedly after having worked at the same company. They decided to come up with a fun game and a few months later, Kevin handed Steve a bag of dice. Steve returned the following week and explained the simple rules to TENSI (original spelling.) Game after game, the dice rolled and the rules evolved. By the end of the day, TENSI had become TENZI. They went to three local toy stores with their prototype before someone was interested. They now sell in over 5,000 stores, and there's even a free app available for iPhones and Androids!
