## Clearance Sale

It's that time of year again where we need to make room for new things! And this year, we are not only making room for Christmas items, but also to do some rearranging, too! That means great savings for all of you! Join us for a one day clearance sale on Saturday, October 21<sup>st</sup>. We'll be marking down discontinued, overstock, and less-than-perfect items with yellow price tags all around the store. For one day only, these items will be buy 1, get 1 at 50% off the marked sale price! With items marked at 15-60% off with yellow tags, there are definitely some deals to be had. Items to be included on the sale include select (not all) light switch covers, wall art, lamps, Lakegirl, Yankee candles, outdoor rugs, purses, scarves, Sorrento dishes, and much more! We'll have tables set up around the store for quick and easy shopping. We can't wait to share great deals with you!

## Best Wishes Kayla and Robert

Please join us in congratulating one of our part-time employees, Kayla, on her upcoming wedding! She'll be getting married on Saturday, October 7<sup>th</sup>. Kayla is the niece of our employee, Judy. You may also recognize her from working at Sunset Bay Supper Club and Plating as well. We wish her and Robert a life time of love and happiness!

## Big Little Fudge

Introducing Big Little Fudge, a great new fudge born in the little town of Montgomery, Texas, where they like to do things just a little bit bigger. Robin Strickland and Kevin Graham started the company with the concept of "Little Fudge, Big Taste." They left their jobs in the pipeline industry to pursue Robin's two passions, business and fudge! Robin handles the day-to-day operations, from accounting to packaging to research & development (what a fun job!) Kevin manages the warehouse operations and shipping, as well as food quality and licensing. At Cabin Creation we have four of their flavors - Choc A Lot (original chocolate), Heavyweight Champ (cranberries, walnuts, chocolate), Big League (peanuts, caramel, chocolate), and The Great Divide (chocolate and peanut butter.) For the fall, we also have a limited quantity of PumpkinNut Fudge! We'll continue to rotate in new flavors throughout the year. This is a great treat, and only \$1.95!

Choc A Lot    Heavyweight Champ    Big League    The Great Divide

## Recipe Corner

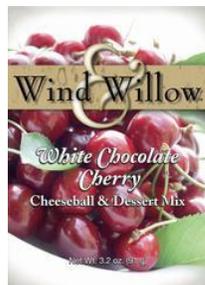

### Cherry, Cherry Cheesecake

#### Ingredients:

- 1 White Chocolate Cherry Cheeseball Mix
- 8 oz cream cheese
- 4 Tbsp butter
- 1 large can cherry pie filling
- 1 tsp almond extract (optional)
- 12 oz whipped topping
- 1 pre-baked pie shell or graham cracker pie shell

#### Directions:

Combine White Chocolate Cherry Mix with cream cheese and butter. Fold in 8 oz of the whipped topping. Spread cream cheese mixture into pie shell. Stir extract (if desired) into the pie filling. Spread over the cream cheese mixture. Spread remaining whipped topping over cherry pie filling. Top with Almond Crunch Topping. Refrigerate until ready to serve. *Recipe from [www.windandwillow.com](http://www.windandwillow.com)*

## Fall Maintenance Checklist

### LAWN

Service the snow blower, bring out the snow shovels and purchase ice melt. It's always best to be prepared ahead of the storm!

Drain gasoline and oil from your lawn mower and weed eater. Wash and move to storage to add years of life to your equipment.

Rake leaves and remove foliage debris. Start a compost pile so you can enrich your soil come spring.

Aerate, fertilize and reseed your lawn. Fall is the best time of year to start or revitalize a lawn.

Roll up and store hoses, insulate outdoor faucets and winterize sprinkler systems - frozen water can be very destructive, especially when it comes to pipes and hoses.

Inspect your roof and repair any loose or missing shingles, remove any branches hanging over the roof - a little work now may prevent a major repair in the future.

### EXTERIOR

Have your chimney cleaned and inspected once a year. Creosote buildup in the flue can cause a fire. When the first cold snap comes you want to be ready to light that fire!

Fill any low spots that have developed in the soil near your foundation, and make sure the soil slopes away from the house to avoid water damage in your basement.

Wash your windows so they're clean and sparkling for the holidays.

Clean your gutters and inspect your downspouts.

Check the caulk and weather stripping around your windows and doors and repair or replace as necessary.

Simple weather stripping can prevent drafts and improve heating efficiency.

### INTERIOR

Have your HVAC unit serviced - you don't want to discover a problem on the first cold night and have to pay for an emergency repair.

Change your air filters. Clogged filters impact the efficiency of your heating system and can cause equipment damage.

Drain your hot water heater. Sediment can clog the pipes and cause problems. Plus, you can improve its efficiency by 50% with this one simple task!

Insulate any exposed water pipes - a frozen pipe can burst and cause a huge mess.
