## Annual Fall Harvest Festival

One of our favorite days of the year is coming up soon – the Phillips Fall Harvest Fest! It is so wonderful to see many families enjoying the Phillips area. At Cabin Creations, we will have delicious fall inspired food samples, 10% off all food items, and a gift basket giveaway. Throughout the Phillips area there is also a craft fair on the courthouse lawn, Taste of Phillips on downtown sidewalks hosted by area non-profit organizations, pumpkin decorating for the kids at Elk Lake Park Pavilion, Phillips Area Chamber of Commerce Auction on the courthouse lawn, live music provided by Emery Express and Reunited, “Celebrating Art in Action” sponsored by Friends of Fred Smith, sales of fresh cranberries, raisins and cookbooks at Chamber booth, Fall Festival raffle prize drawing and area business scarecrow contest. As you can see, there is plenty to do for the day! And, there is also the Ogema Tree Festival if you'd like to travel a little further south for the day. Let's keep our fingers crossed for nice weather and beautiful fall leaves to see!

## More to Come for September!

We are working on planning a few other activities for September after we get our schedules with school and kids' activities set. Stay tuned to Facebook or our email list for more fun things to come!

## Introducing: Warmies

One of our most popular market finds from August is the Warmies line of microwaveable products. Warmies, made by the Intalex Group, was founded in London in 1995 to commercialize a new and innovative way to relieve everyday aches and pains. Their revolutionary new Hot-Pak™ design was the first ever fully microwavable herbal heat pack to be sold in Europe. In 1997 Intalex Group invented Beddy-Bear® - the world's first ever fully-microwavable soft toy! They have expanded and updated their designs, bringing their products to the USA and seeing much success. We have an array of animals, as well as neck wraps and even slippers! Put them in the microwave for 60-90 seconds and enjoy the soothing warmth, as well as the smell of relaxing lavender. We've already had reorder of many of the styles, and know they'll be a hit for the holidays!

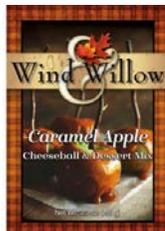

## Recipe Corner

### Caramel Apple Cream Pie

#### Ingredients:

- 1 Caramel Apple Cheeseball Mix
- 1 can prepared apple pie filling
- 16 oz cream cheese
- 1 prepared graham cracker crust

#### Directions:

Spoon apple pie filling into a medium sauce pan. Cook over low heat until apples are at desired firmness. Remove from heat and stir in cream cheese and Caramel Apple Mix. Stir until thoroughly combined. Pour into crust. Sprinkle with Graham Topping. Refrigerate at least 1 hour before serving. Makes 8 servings.
