Gift Basket Services

Each holiday season we have the pleasure of making a number of gift baskets, especially for businesses. Generally, we suggest a variety of items that includes both consumable items such as food, lotions, or candles, and then something that will “last” such as a towel, sign, or other gift that will be a reminder after the holidays. We can use gift bags, baskets, or shippable boxes for packing. We even ship the boxes, too! We have added business Christmas cards and logo items into our baskets as well. Whether you are looking for 2 or 20 gift baskets, we can accommodate you. However, with the larger quantities, we ask for some advance notice. Most of our food companies ship within 2 weeks, so we still have time to order if necessary.

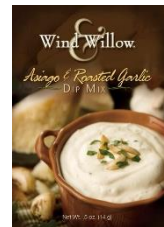

We also will have some individual gift baskets available for immediate purchase during the month for your quick shopping needs. Let us help you wow your friends, co-workers and family this holiday season!

Recipe Corner : Asiago Popcorn

Ingredients:

- 10 cups freshly popped popcorn
- 1 box Asiago & Roasted Garlic Dip Mix

Sprinkle freshly popped popcorn with dip mix, toss until coated. For less popcorn, use part of mix and put remaining mix in a ziplock bag. Also great with Back at the Ranch or Peppercorn Parmesan Dip Mix!
