Fun New Event

In January we posted a picture of a puzzle we were putting together on a Facebook post to help pass the time on a cold winter day. Some of the comments mentioned an interest of a puzzle exchange in the area. After some thinking, we thought we'd help with this fun idea. There is sure to be some hiccups along the way, but we think it will be fun to try some "recycled" puzzles this winter. We'll even have a sign up for participants to win one of our new puzzles!

PUZZLE EXCHANGE
at Cabin Creations

February 9th
2-3pm

How it works: Drop your puzzle off (you can bring more than one) to exchange to Cabin Creations by February 7th. Please be sure the puzzles are in good condition and are not missing any pieces. If you'd like your puzzles returned, please put your name and phone number on the box. Then stop by on February 9th from 2-3pm to pick out your exchange puzzle (get the same amount that you dropped off.) Can't make it on the 9th? We'll set some aside for you to pick up at another time.

Wisconsin Musky Expo

We are once again headed to Wausau March 1st-3rd for the Wisconsin Musky Expo (see info to the right.) It may seem like an odd pairing, but this unique partnership seems to work out well for us. With the notoriety of Elk River Rods and Ross's Sports Shop, combined with our unique selection of décor and offerings for women to look at while the men are busy at the show, we usually have a good show. If you are in the Wausau area and need something, please let us know and we'll pack it for you!
