## **Happy Anniversary!**

As you may have read last month, August 1<sup>st</sup> is our official anniversary as owners at Cabin Creations. Five years fly by quickly, as evident in our picture below. When we first took over, we had a 4-year-old and a 5-week-old. Now, we have a 9-year-old, 5-year-old, and 18-month-old! We are certainly blessed to have such a beautiful, happy family. We are also blessed to have a community and visitors whom support us. We hope that you enjoy the changes that we have brought to Cabin Creations. Our goal is to continue to improve our business, give back our community, and have fun while doing it! We must also give credit to our great staff over the years. We could not be open 7 days a week, or be able to have family time, without their willingness to work!

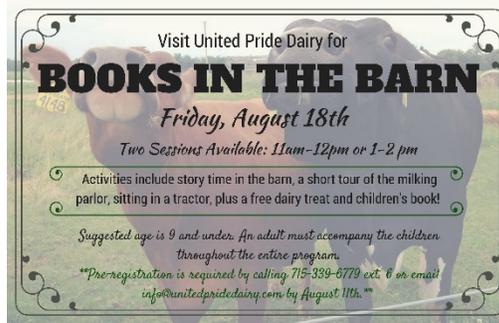

## **Children's Nature Series**

The third class in our Children's Nature Series, Environmental Easel, is on Thursday, August 10<sup>th</sup> from 2-3pm. As a reminder, the classes are available to children ages 5-10. Registration is required as space is limited. The cost is \$10 per child, which goes to the North Lakeland Discovery Center. A parent or adult is required to stay on the premise during the class. It will be held outside, weather permitting, or we'll clear a space inside. Here is a description of the Environmental Easel class: Join North Lakeland Discovery Center staff as we learn about our important natural resources through three nature inspired crafts! All materials are provided, just bring your creativity!

## Books in the Barn

In addition to owning Cabin Creations, we are also part owners in my family's dairy farm, United Pride Dairy. Last year we had our first Books in the Barn event for kids. The event was so much fun, we have decided to offer it again! Books in the Barn will be held on Friday, August 18<sup>th</sup>. There are 2 sessions available, and pre-registration is required. We will read a few stories in the barn, get a quick tour of the milking parlor, climb in a big tractor, and enjoy a dairy treat! And, all kids will receive a free children's book! Please consider joining us with your children or grandchildren for this fun event!
