Valentine's Day Gift Shopping

Valentine's Day is fast approaching. Statistically, 54.8% of Americans celebrate Valentine's Day, with over \$19 billion dollars spent in 2016. While most people choose jewelry or flowers as their gift, we invite you to think outside the box. Here are pictures of just a few of our favorites Valentine's Day gifts and decor. Shop our displays around the store for more inspiration. Not sure which gift will be the perfect one? Gift certificates are a great option! We are open 7 days a week and we'd love to help you show your love with the perfect gift! Thanks for supporting local businesses. We LOVE our customers!

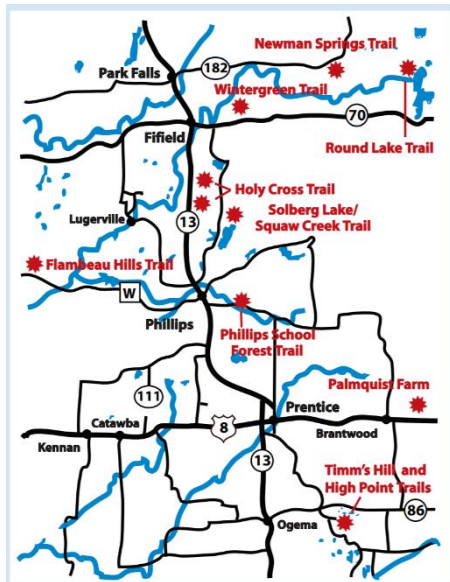

Wisconsin Musky Expo

This March we are returning to the Wisconsin Musky Expo in Wausau! We had such a good time last year, that we decided to try it again! The world of musky fishing was much more complex than we had envisioned.

If you haven't been to the Wisconsin Musky Expo, it is the place to go for all of your fishing needs! Our friends from Ross's Sports Shop and Elk River Custom Rods will both be there, as well as dozens of other vendors with fishing supplies, guide services, and more. We add a unique touch to the show by bringing some of our fishing and lake related signs, books, and gifts. The Expo offers a number of perks for the attendees, including seminars and many giveaways. Giveaways include a musky lure on Friday and a full week stay at a Canada resort on Sunday!

Cross Country Skiing and Snowshoeing in Price County

We are fortunate to have some great skiing trails in Price County. In fact, Price County has 9 groomed cross-country ski trails offering almost 80 miles/124 kilometers of trail for your enjoyment. Many of our winter silent sport trails are multi-use and welcome users to cross-country ski, snowshoe, fat bike and skijor (see the chart below.) Trails vary in difficulty with something for every skill level. You will also find a variety of beautiful scenery and wildlife to enhance your skiing experience.
