New Additions to the "Boutique"

Our selection of women's scarves, slippers, and accessories
continues to be a favorite pick for our shoppers. As times and
trends change, so do our products and selections. Because of
that, we have decided to add two new exciting additions to
our "boutique" area!

Blue Q The Blue Q Company makes a
variety of quirky, cute, and some
downright sassy items. We have decided to carry three of their
most popular items, socks, recycled plastic coin purses, and
gum. The message on each is what makes these items the
perfect for gift giving to your BFF, daughter, mom, or sister.
Both the price (\$9.95 for socks, \$4.95 for coin purses, \$1.99
for gum) and the sayings are sure to make you smile! An
added bonus - Blue Q donates a percentage of their profits to
charity (listed on their tags!)

lakegirl[®] The Lakegirl Company was started
by a family who shared fond
memories of vacations in Northern Minnesota at the lake. Those
lake memories were energizing, relaxing, funny, and
sentimental and led to the creation of a company whose focus
was on comfortable, casual, and high quality clothing.
Lakegirl's staple has been their navy full zip hoodie. We will
add to that a few more sweatshirts, as
well as long sleeve shirts, winter hats,
and totes. Additional pieces will be
added in the spring. Sizes range from
small to extra large, with some pieces
also available in a 2XL. We will have
the ability to order most out of stock
sizes as needed. We are excited to
have this new selection at our store and
support another Midwest business!

Warm Cozy Blankets

A long-time staple at Cabin Creations has been Denali Throws. You may have noticed this fleece-like throws draped on our beds or sticking out of dresser drawers. The throws are made in Janesville, WI and were launched in 1998. Instantly recognized as a distinctive gift item due to its plush feel and large size, Denali throws bring a new level of warmth and softness.

These unique throws are made from an innovative fabric twenty years in the making. Microplush® is a hi-tech pile fabric knit with a very fine denier acrylic fiber making it light, soft and comfortable to the touch. Machine washable, Microplush® is a naturally water resistant, colorfast, and stain, odor and mildew resistant. We carry the most popular item, the 60" x 70" double thick throw, in a number of designs. Custom design throws are also available (what a great corporate gift!), as well as bedspreads, fitted twin and full bedspreads, pillows, shams, bed skirts, pet pads, and a lamb's wool mattress pad. If you are lucky enough to own one of these blankets, you know that it is the best blanket that you have ever owned! We have customers who have washed and used these blankets going on 10 years and still look as good the day they were purchased!

Our Pricing Philosophy

We often get asked about store sales, and thought we would give a quick explanation on our pricing philosophy. We believe that honesty is always the best policy. In short, we price our products as best as possible at all times. We do this for one simple reason – to be fair to you. We know how frustrating it is to be unable to attend a “sale” at a business. Particularly at Cabin Creations, a number of our customers only get to visit us a few times a year. Because of this, we offer you the best price that we can, no matter when you get the chance to shop. Plus, we think it is senseless to mark up everything 20%, just to have a 20% off sale.

Of course, there are a few exceptions. The first is Yankee Candle. The candle promotions are determined by Yankee Candle without warning to us. Besides that, there are times when we will have a sale, as either part of a community event or because of overstock or discontinuation of an item. All that being said, we know there are times when you could find some of our products cheaper online. However, by choosing to shop locally, you are supporting families - ours, our employees, our sales reps. And you get to touch and feel the quality of our products. In fact, statistics show that when spending \$100 at an independent business, \$68 stay in the local community. That keeps the rest of our area going so you have a nice community to live in and visit. We TRULY appreciate your choice to support our local business and we enjoy doing the same!
