Spring Cleaning Sale

It's time to do some spring cleaning at Cabin Creations! We will be attending some buyer's markets this month and need to make room for new things! Hundreds of items will be sale priced with yellow tags at 15-50% off. The items include overstocks, discontinued, flawed and slow-selling products. We will be marking down items all month in preparation.

Friday, March 23rd through Sunday, March 25th, all of these **yellow tag items** will be **buy 1, get 1 50% off!** The items can be mixed and matched, the 50% off applying to the lesser priced items. The sale will run in conjunction with the Phillips Sport, Home and Craft show at the Phillips High School. We will consolidate some of our displays and add some tables to showcase our sale items. We also have our store set for spring, so if you haven't been in for a visit in a while, this sale is the perfect time to see us! All yellow tag sale items are available on a first come, first served basis. Please join us for some great deals!

Five Years of Newsletters!

Wow, we can hardly believe that this issue signifies our official 5th year of writing newsletters! We sure appreciate you reading them and telling us when you do! We will continue to do our research to provide you with interesting information each month!

Shop Local

In recent months, especially at the holidays, we've had many people tell us they just do most of their shopping on Amazon now. While we are Amazon users too, we shop local whenever we can and encourage you to do the same. The Phillips area has great options for shopping, from gifts to home décor to clothing.

Not only are you supporting local families, but then we can in turn support others in the community. Your patronage keeps our doors open and allows us to bring in new items!
