Father's Day is June 17th!

Cabin Creations is a gift store that even most of the men enjoy looking around in! Father's Day is on June 17th, and we have many gift ideas for the special men in your life. From our popular Drink Wisconsensibly t-shirts to our witty socks and boxers, we have Dad covered! We also have consumable products for the guy who has everything, such a bloody mary fixings and soap on a rope. Stop by and check out our selection, and maybe pick up a few things for yourself!

Roller Balls for Essential Oils

Our essential oil diffusers have been extremely popular since we introduced them in September last year. We have expanded our selection of both diffusers and oils since then. We recently added a coconut carrier oil and roller balls to our offerings. Essential oils have additional benefits when placed on the skin, but need to be diluted for sensitivity. Fractionated coconut oil is silky smooth, lightweight, and odorless. It readily absorbs without clogging pores or leaving skin feeling greasy. Dilute 1-2 drops of essential oil per teaspoon of coconut oil depending on skin sensitivity. Some of our favorite options to mix in the roller balls are the Buzz

Along blend for bug protection outside (just roll on the come biting spots), Lavender (great on the temples for relaxation) and Breathe In blend (helps with sinus and colds.) We have samples open of each oil to smell before you buy!

Tennis Courts Open to Public

This summer we will be sharing some activities available in the Phillips area. Did you know that the tennis courts at the high school are open to the public? There are 4 courts on the upper portion, and 2 on the lower, which are also lined for pickleball. While there are not any formal leagues, you'll meet friendly players who meet regularly and just might invite you to join in!
