## Fall is Near!

Crisp, cool nights and beautiful fall colors are on our way. That means it is time to spruce up our store, too! We'll be starting the week of August 6<sup>th</sup> to add some fall colors and décor to our store. We always get excited for the changes of the seasons and the new products to share! As you shop, keep in mind that most of our seasonal items are a one-time purchase, meaning that we are unable to order more. So, if you fall (pun intended) in love with something, we suggest you take it home with you that day. Or, if after you've stopped by you decide you are in need of something, give us a call and we can set it aside if need be! In fact, we do this quite often with many items in our store. Stop by for fall inspiration and gifts!

## New Kids Class!

We have a fun opportunity for kids this month! We are hosting our first Mixed by Me Thinking Putty Class. We will be using the infamous Crazy Aaron's putty and a special retailer mixing kit. The kids will be able to make 2 of their own mini tins to take home. We have been testing and having a lot of fun! Pre-registration is required. We will host classes during the fall and winter, too!

## ATV Trails in Price County

Did you know that a recently passed county ordinance opens the Price County Highway routes to year round ATV use? In addition to the highway routes, there are 5 trail systems in Price County: Flambeau Trail System (May 1- March 14), Solberg Trail (May 1 – March 14), Tuscobia State Trail (April 16-Nov 14), Georgetown Trail (May 15-March 14), Flambeau River State Forest Trail (May 15- Nov 15). The Flambeau, Solberg, Tuscobia, and Flambeau River trails all interconnect. The Georgetown Trail can be accessed from Phillips, Kennan or Catawba. All of the trail systems allow direct access to food, lodging and services along routes that are public roads. While ATVs and UTVs are allowed on these routes / public roads when the route is properly signed, only street legal and licensed motorcycles are allowed on these routes. It is the responsibility of the rider to know and obey the law. For more information or questions, please visit the Price County Tourism website: [www.pricecountywi.net/410/ATV-UTV-Off-Road-Motorcycling](http://www.pricecountywi.net/410/ATV-UTV-Off-Road-Motorcycling) or call 715.339.4505. On the website you will find maps, trail conditions, and a link to videos of portions of the trails.

## Books in the Barn

As many of you know, in addition to owning Cabin Creations, we are also part owners in my family's dairy farm, United Pride Dairy. It's time for our annual Books in the Barn event for kids. Books in the Barn will be held on Friday, August 17<sup>th</sup>. There are 2 sessions available, and pre-registration is required. We will read a few stories in the barn, get a quick tour of the milking parlor, climb in a big tractor, and enjoy a dairy treat! The Phillips Public Library will be there to read a book and have a goody too! And, all kids will receive a free children's book! Please consider joining us with your children or grandchildren for this fun event!
