## **Celebrating 9 Years at Cabin Creations**

We want to send out a heartfelt thank you to our great customers for supporting us for the past 9 years. We understand that making a purchase for your home, cabin or a gift is a choice, and we are honored that you choose Cabin Creations! We work hard to fill our store with items that are of good quality, unique, and will make a great gift. We celebrated July 29-August 1<sup>st</sup> with a lot of fun in the store. We had a trivia game to play in store, and besides some personal information we asked, here are the answers to the general trivia questions and answers:

1. How many caramels were sold in the last calendar year? 1075
2. What is our best selling Yankee Candle Fragrance? Balsam & Cedar
3. What is the name of our weekly video series? Teach Me Tuesday
4. How many active vendors do we purchase from? 213
5. How many color firesticks are in a bag? 33
6. Name one staff member at Cabin Creations: Kristen, Judy, Kayla, Lynn, Courtney, Jayda (we'd also accept Sally our decorator, or Bill, Tyler & Uncle Chuck our delivery guys and general fixers of stuff )

Nine of our customers won \$20 gift certificates from correctly answering the trivia questions. We also asked customers to "vote" using their receipt for 4 non-profit groups that were nominated by our Facebook followers. The votes were: Santa's Elves-43, Catkins- 41, Price County 4H-29, Red Apple Center-24. With the highest votes at 43, we are donating \$250 to the Santa's Elves organization, a group who provides gifts to families in need in Price County during the holidays. In addition, we are donated \$50 to each of the other organizations. Thanks to all who participating in our fun weekend!

### Northern Lakes Mystery Series

If you love to read and you love the Northwoods, we have a book series for you! Jeff Nania, a decorated sheriff's deputy that transitioned into a Wisconsin wetland expert and conservationist, working with landowners and the DNR to preserve and restore wetlands. During this time he won the National Wetlands Award. Jeff writes for Wisconsin Outdoor News and other publications, enjoys fishing, and spends as much time as possible outdoor. He has written three books – *Figure Eight* (2019), *Spider Lake* (2020) and *Bough Cutter* (2021.) These mysteries are tales of murder, deceit, family traditions, tragedies, and of course, the Northwoods of Wisconsin.
