Happy 2022!

WISHING YOU A HAPPY & HEALTHY NEW YEAR

As we reflect on 2021, we experience a roller coaster of emotions. Certainly the pandemic is responsible for many of those feelings - joy when the vaccines rolled out and when numbers were low, fear and worry as numbers rise and new variants emerged. We sure hope that when we reflect on 2022 it will include celebrating the end of the pandemic! Other emotions this year include excitement for our new road sign and parking lot resurfacing, frustrations in the supply chain, and happiness to live and work in the beautiful Northwoods of Wisconsin. The highlight of our year was certainly all of you and your continued and increased support. You continue to amaze us with your choice to shop at our small business! May your 2022 be filled with many blessings.
