## Hearts for Hospice Fundraiser

### JOIN US FOR THIS WORTHY CAUSE

We are excited to once again offer Open Your Hearts for Hospice, a fundraiser for our local Marshfield Medical Center - Park Falls Home Health and Hospice. They have provided services for over 25 years for all of Price and portions of Sawyer, Rusk, Iron and Ashland counties. The Home Health side is geared towards helping people recover from an illness or injury, and Hospice provides expert medical care and pain management, as well as emotional and spiritual support for those who have a life-limiting illness as well as to their families.

Cabin Creations has donated 4 themed baskets, each valued at over \$75. Tickets are available for \$5 each, or 5 for \$20. Choose which basket you'd like to win by placing your tickets in that basket. This year's themes are kid's, comfy & cozy, bloody mary and memorial cardinals.

Starting Monday, January 6th, tickets are available in store and by going to our website. Go to [cabincreationswi.com](http://cabincreationswi.com), click on Shop Online, and search Hospice. Please note at checkout which basket you'd like to put your tickets in (otherwise we will distribute throughout all of them.) Be sure to select the Hospice no charge shipping as well. We are happy to help out this very important service in our community.

# Order Outdoor Furniture Soon

SPRING WILL BE HERE BEFORE WE KNOW IT

Each spring and summer, one of most popular items are our outdoor poly lumber furniture pieces. Made in central Wisconsin by a Mennonite family, this furniture is built to last! It's made from recycled milk jugs, 100% plastic, that will not splinter, rot or peel. It never needs paint or stain and is assembled with stainless steel screws and bolts. You can leave it outside all year, as it easily cleans with soap and water. There is a 10-year limited warrantee on any manufacturing defects as well. And, in the rare event of an accident (such as a tree falling on a chair and breaking a leg), our builders are great about just supplying the replacement part at a reasonable cost so that that whole piece does not have to be replaced.

It's not too early to place your orders for this spring! They often get quite busy starting mid-February through July, with wait times up to 10 weeks. We try to keep stock of the most popular styles and colors, but with the large color selection (see below) as well as the numerous back and product styles, well over half of our yearly orders are special orders for our customers to ensure they are receiving the exact piece that they'd like. There's no doubt this furniture is an investment, but we also have no doubts that once you have it, you'll absolutely love it. Contact us for more information!
