Ways to Celebrate Mom

MOTHER'S DAY IS MAY 14TH

When it comes to finding the perfect gift for Mother's Day, Cabin Creations has you covered! But more than a gift, your mom (aunt, grandma, step-mom, wife), wants a special memory of the day. Trying pairing a traditional gift with an experience gift. For example, get her a nice pair of hiking socks and a Waterfalling in Wisconsin book and then head up to Copper Falls for a hike and a picnic. Put together a spa in a bag (lotion, scalp massager, etc) and pair it with a gift certificate from her favorite salon or masseuse. Pick out some fun craft supplies and plan a day making treasures with the grandkids. Find a new shirt that would look great in family photos. No matter what you choose, it truly is the thought that counts.

While we in the retail world put an emphasis on Mother's Day, our thoughts are with those who find this day difficult to celebrate as well. Please know that you are not alone. We hope you can surround yourself with love and support.

Governor's Fishing Opener

PRICE COUNTY IS HOSTING MAY 5-6

Just a reminder that Price County will be hosting the 2023 Wisconsin Governor's Fishing Opener on May 5-6. This event will put Price County in the spotlight as a great place to visit and participate in recreational activities. Opening of fishing season has always been the "unofficial" start of the busy season for us in the Northwoods as people are back to their cabins and out fishing on the lake. Shop anytime between May 5-7 and receive a yummy little chocolate fish in honor of the occasion! Contact the PACC for more information about the weekend events.

Thank a Teacher

THE END OF THE SCHOOL YEAR IS NEAR

As a former teacher, the end of the school year was always a bitter sweet time for me. It was rewarding to see how much the students had learned. It was sad to see some favorites go and exciting to think about how to improve for the following year. If you'd like to thank your child or grandchild's teacher, we have some great ideas for you. We have a section of teacher-specific items, as well as many of our every day items that make great gifts. Don't forget, we offer free gift wrapping (just ask.) Many of the teacher in the Phillips School District love shopping at our store, so a gift certificate is a great idea too!

The Boss's Favorites

LEARN WHAT THINGS KRISTEN HAS AT HOME

Just like it is fun to ask a server at a restaurant what their favorite menu item is, we have many people who ask us about our favorites. Here's a few things that I have used (or eaten) in just the last week! Blue Q sassy socks, Darn Tough wool socks, Warmies heatable neck wrap, scalp massager, Kavu rope bag and wallet, Naked Bee orange blossom lotion and lip balm, Karma headbands, Candle Warmer Lantern, Spirit Valley pickled sweet beets, Spirit Valley Cherry Salsa, Ziptop reusable storage containers (for leftovers and for cut veggies), Bee's Wax Spray (on my stainless steel) and too many Fun Factory malted milk balls and chocolate covered peanuts. These are a few of my current favorite things! Ask us to point them out to you the next time you stop by!
