## Our 11th Anniversary

### CELEBRATE WITH US

August 1st is our official 11th anniversary as owners of Cabin Creations! What started as an idea of a very pregnant Kristen as she was driving by Cabin Creations when the Heemeyer family was getting ready to retire, has quickly become 11 years of retail fun! The switch from a middle and high school math teacher to a store owner was an interesting one that has turned out quite well. There's definitely been learning moments, sad moments, happy moments, funny moments and surprising moments. The two best parts about owning Cabin Creations are meeting so many unique and wonderful customers, sales reps, and fellow business owners, and the other is that it allows flexibility to spend time with our children. We are so thankful to get to laugh, smile and sometimes even cry along with our customers. We've created connections that go beyond the business relationship and have done everything from visited our customers favorite restaurants in other towns, checked out suggested parks and road trips, and even tried new products to sell. It's been a fun 11 years and we look forward to more!

We will have our 11th Anniversary Celebration August 1st-4th. Each year we like to give away some items as a thank you for supporting us, and we have to make it fun, too! This year we are playing Lucky Duck. Each

person (no purchase necessary) will choose a duck that is hidden around the store. Bring it up to the counter and you'll win a prize based on the number on the bottom. The number coordinates with a list of prizes which will include a fun beach-themed Cabin Creations item. Certain numbers (changing daily) will have additional prizes such as a discount, entry to win a gift certificate or a free product. We'll have some food samples out to enjoy, too. We always look forward to our anniversary as way to celebrate our customers for supporting us through another year! Hopefully you'll be able to stop and say hello August 1st-4th!

# Fall Decor Coming Soon

CHECK OUT OUR NEW DECOR MID-AUGUST

Even though our recipe is the Summer Chicken Salad, it's time for us to start thinking Fall! We will start putting out our fall decor the week of August 7th. This usually takes us about 4-5 days, so by the end of the week we should be ready to go with new items to see!

FALL IS PROOF THAT CHANGE IS BEAUTIFUL
