Smartwool Second Cut Project

SAVE YOUR OLD (CLEAN) SOCKS

In April, as part of Earth Day, we are participating in the Smartwool Second Cut sock recycling project. The Second Cut Program is a sustainability initiative aimed at reducing waste and promoting recycling efforts. Through this program, Smartwool repurposes materials from production waste, damaged, or returned items to create new, high-quality products.

Join us in this sustainability journey by bringing in your used socks. Any brand, color, size and materials are welcome, although merino is preferred. No rolled or paired socks, bags, rubber bands, paper clips (just single socks). Please be sure the socks are clean. We will have a large box available by our counter for you to put them in.

As a thank you for participating, we'll give you an entry to win a \$25 gift certificate to Cabin Creations! Together, we can make a positive impact on the environment!

March Bestsellers

SEE WHAT OUR CUSTOMERS LOVE BEST

Each month we like to peruse our reports to see what our customers are choosing as their favorites. We thought we'd share some of the information this month so you can check out some of our most popular items the next time you stop by.

Fun Factory

As no surprise to us with the Easter holiday in March, Fun Factory was our biggest selling brand by items sold. While we did have special stock for the holiday, we carry malt balls, chocolate covered peanuts, truffles, mint meltaways and an assortment of "paws" all year round. You'll love these treats!

Meravie

Second in items sold in March was Meravic, our choice for silk and artificial florals and assorted accessories. This one was a bit surprising to us! Looks like our customers were ready to add some green and florals to their homes for spring! Speaking from experience as someone who didn't use artificial floral at home until I owned Cabin Creations, it really can make the difference in a room. Now I don't go a season without it!

mudpie

First in overall dollar sales for March was Mudpie. Mudpie is a female-founded and operated home decor and lifestyle brand with thousands of everyday and seasonal products. Spring and Easter items were popular this March, as well as their current selection of farm themed items and kitchen accessories. You'll find Mudpie products throughout our store all year round.
