## A Year In Review

### CHECK OUT SOME STATS

As a former math teacher, I love some statistics! The end of the year is the perfect opportunity to get a little nerdy with our inventory system. Here are some interesting tidbits of information from 2024:

1. We sold 2,677 caramels, our most popular item!
2. Our top 5 brands by number of items sold are Door Co Confectionary, Park Designs, Mudpie, Fun Factory Sweet Shop and Spirit Valley.
3. We sold items from over 225 companies.
4. The top 5 categories by quantity are sweets, hot drinks (hot chocolate and coffee), jarred goods, socks, and lotions/soaps.
5. We shipped over 220 packages to 29 states! Many shipments come from our Facebook Live Sales. We also have orders placed on our website.
6. The largest number of transaction in a day was on Nov 9 (Holiday Open House), followed by July 5, June 13 (Girls Night Out, Oct 5 (Fall Harvest Fest) and March 16 (Musky Expo & in store).
7. You helped us raise thousands of dollars for local charities, including \$672 to Catkins through Adopt-A-Stuffie, \$301 to the Phillips Public Library for Blind Date with a Book, food to the food pantry, plus we've donated to numerous raffles, benefits, and events. We were also part of a group to raise funds for the new playground at Elk Lake Park, in which many of you contributed to.

We are so thankful for the opportunity to share these statistics with you. It means that we continue to be a vibrant, unique store that you choose to support. We look forward to sharing 2025 with you. We will be hosting more fundraisers, work hard to find unique gifts and decor, continue to improve our customer loyalty program, and greet you with a smile. Thank you for making 2024, and the past 12 years a success. We look forward to more to come!
