Second Year of Second Cut

JOIN SMARTWOOL FOR SOCK RECYCLING

We are excited to participate in the Smartwool Second Cut sock recycling project for a second year. The Second Cut Program is a sustainability initiative aimed at reducing waste and promoting recycling efforts. Through this program, Smartwool repurposes materials from production waste, damaged, or returned items to create new, high-quality products.

Join us in this sustainability journey by bringing in your used socks. Any brand, color, size and materials are welcome, although merino is preferred. No rolled or paired socks, bags, rubber bands, paper clips - just single socks. Please be sure the socks are clean. We will have a container available by our counter for you to put them in. As a thank you for participating, we'll give you an entry to win a \$25 gift certificate to Cabin Creations! Last year we recycled 50 pounds of socks! Together, we can make a positive impact on the environment.

Earth Day April 22nd

MADE HERE IN NORTHERN WISCONSIN

We are truly blessed to be in the beautiful Northwoods of Wisconsin. We get to enjoy Mother Nature at her finest (even though sometimes her weather "mood" swings are a lot!) We try to make eco-friendly choices when we can at Cabin Creations, including offering paper and plastic bags made from recycled materials, recycling cardboard, plastic and other items, reusing materials for shipping, choosing digital invoicing options and more

To celebrate Earth Day, bring in your buffalo plaid Cabin Creations bag on Tuesday, April 22nd and you'll receive a free biodegradable dish cloth, just one of the many eco-friendly products we sell at Cabin Creations.

Spring Cleaning Rare Tips

HERE ARE A FEW OFTEN FORGOTTEN TASKS

Many people partake in spring cleaning rituals. We thought we'd share a few "deep clean" tasks that are often overlooked:

1. Cleaning the inside of garbage cans
2. Dusting ceiling fan blades
3. Removing lint from the outside dryer vent
4. Descaling the coffee maker
5. Washing mattress pads and pillow covers
6. Wiping down baseboards and door frames
7. Disinfect light switches, remotes, knobs and more
8. Clean or replace vacuum filters

If you are like us, you may think - I can't remember the last time I did that! Well, now's the time. Happy cleaning!

RECIPE CORNER

Gouda & Asparagus Tart

PERFECT FOR EASTER BRUNCH

INGREDIENTS:

- 1 sheet puff pastry, thawed
- 1 cup shredded Gouda cheese
- 1 bunch asparagus, trimmed
- 1 egg, beaten
- 1 tbsp Dijon mustard
- 1/2 tsp garlic powder
- 1/2 tsp black pepper
- 1 tbsp olive oil
- 1/4 cup grated Parmesan cheese (optional, for topping)

DIRECTIONS:

Preheat oven to 400°F and line a baking sheet with parchment paper. Roll out the puff pastry slightly and place on the baking sheet. Using a knife, lightly score a 1-inch border around the edges (don't cut through). Brush the center of the pastry with Dijon mustard, then sprinkle with shredded Gouda. Arrange the asparagus on top, trimming to fit within border. Brush the pastry edges with the beaten egg. Drizzle the asparagus with olive oil, then sprinkle with garlic powder and black pepper. Bake for 20-25 minutes, or until the pastry is golden and crispy. Remove from oven and sprinkle with Parmesan cheese if desired. Slice and serve warm.
