All socks are 10% off for the month of October, including Smartwool, Darn Tough, Blue Q (the sassy ones), World's Softest Socks and other miscellaneous brands that you'll find in store. Fall- Did You Remember?

DO THESE NOW BEFORE IT GETS COLD OUT

Now that it's past the 21st night of September (gotta love a little Earth, Wind & Fire), it's time to remember some of these sneaky tasks that will haunt you after it freezes.

1. Bring in hummingbird feeders and give them a good wash
2. Empty rain barrels and outdoor planters so they don't crack
3. Take batteries out of solar lights before storing
4. Drain and put away garden hoses and rain gauges
5. Run the mower out of gas or add a stabilizer so it will start next spring
6. Swap out your doormat for a sturdy, snow-friendly one
7. Dig out your snow shovels and ice scrapers.
8. Buy the first round of ice melt, salt or sand for your walkways
9. Empty out the drawers in the camper - don't forget those marshmallows and graham crackers!
10. Start outdoor Christmas light preparations
11. Test smoke alarms and carbon monoxide detectors

NEW PRODUCT SPOTLIGHT

We're excited to bring in some super cute new earrings from a brand called Lilliput. Started in 2018 by Lindsay Craft, Lilliput Little Things is a female-owned small business specializing in bringing joy to the every day. The earrings use medical-grade titanium posts, which are hypoallergenic for comfortable all-day wear. The earrings are made in New Orleans using vibrant UV ink on clear acrylic with a high-gloss protective finish.

There's a lot to love about these little earrings. Our initial order included 30 different designs, and we've already placed a reorder to restock many that sold out in the first week! You can find the earrings in the back room on the glass shelves by the Scout Jewelry. We hope they make you smile!
