2025 in Numbers

ENJOY THIS RECAP

It seems like 2025 went by in a flash! What started as a slow year in the Northwoods due to the lack of snow, eventually picked up by the time May rolled around. This year we introduced over 25 new brands to the store. We received nearly 500 orders from just under 200 brands. Our most popular item by volume is always the caramels by the counter - selling over 2500 this year! We also sold nearly 1000 Wigglyz - the little 3d printed animals, and over 400 of the squishy ice cube stress relievers. By category, our best seller is outdoor furniture, particularly this year as we as the opportunity to furnish the Marshfield Medical Center in Park Falls, 2 branches of Forward Bank, and some properties with Four Seasons. Our best non-furniture selling category is socks, followed by candles and sweatshirts. We hope you enjoyed peeking into our business stats for 2025. None of it would be possible without your support!

NEW PRODUCT SPOTLIGHT

Attention cribbage lovers - introducing Cast & Carve. We found them this December when we were on the hunt for cribbage boards with Wisconsin. Not only do they have some nice travel-sized Wisconsin themed cribbage board, but they also have some really neat wooden pegs! We currently have Mom, Dad, loon, bear, beaver, moose, Bigfoot, and a middle finger! They fit in standard 1/8" peg holes. Not only does it make it easier to remember which pegs are yours, but it adds a bit of fun, too!
